This encyclopedia is a collection of over one thousand five hundred sixteen measures of jazz vocabulary. I have amassed licks from the Hip Licks book and Jim Snidero's *Essence of the Blues*, as well as licks from the saxophonist Bill Evans, Bob Mintzer, Dexter Gordon, Sal Nestico, Phil DeGregg, Tim Price, Mike Tracey, and many other players. All of these phrases have been transposed into the key of 'C' to ensure easy internalization and transposition. Enjoy and remember, "Bad artists imitate, great artists steal" - Pablo Picasso
